Independent Accountant's Review Report

To the Board of Directors South Dakota Historical Society Foundation Pierre, South Dakota

We have reviewed the accompanying financial statements of South Dakota Historical Society Foundation (a nonprofit organization), which comprise the statement of financial position as of December 31, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS See Independent Accountant's Review Report

Note 1. Nature of Activities and Significant Accounting Policies

<u>Nature of activities</u>: The South Dakota Historical Society Foundation is organized as a nonprofit organization and is engaged in the planning and conduct of all lawful activities which will encourage and foster the preservation, study, research and dissemination of information of the prehistoric and historic heritage of South Dakota and of educational programs relating to these purposes and to assist and support the purposes and work of the South Dakota State Historical Society in all its endeavors. The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

A summary of the South Dakota Historical Society Foundation's significant accounting policies is as follows:

<u>Basis of presentation</u>: The financial statements of the Foundation are prepared under the accrual method of accounting. The Foundation classifies its net assets, its revenues and expenses and gains and losses based on the existence or absence of donor-imposed restrictions. It requires that amounts for each of three classes of net assets (permanently restricted, temporarily restricted and unrestricted) be displayed in a statement of financial position and that the amounts of the change in each of the three classes of net assets be displayed in a statement of activities.

<u>Use of estimates</u>: The preparation of financial statements in conformity with generally accepted accounting principals requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue recognition: Contributions are recognized as income in the period in which they are received at their fair values. Unconditional promises to give are recognized as income in the period in which the promise is received, at its fair value. Conditional promises to give are recognized at the time the condition is substantially met. Income from investments and merchandise is recognized when earned.

<u>Cash and cash equivalents</u>: For financial statement purposes, the Foundation considers all bank cash accounts and those money market accounts not designated as investments to be cash equivalents. The amount on deposit at December 31, 2017 and 2016 exceeded the insurance limits of the Federal Deposit Insurance Corporation by approximately \$444,200 and \$690,800, respectively.

<u>Investments</u>: The Foundation states its investments in money market accounts, marketable equity securities, all debt securities at fair value with both realized and unrealized gains and losses included in revenues and gains. Fair value is generally determined by reference to quoted market values.

<u>Furniture and equipment</u>: Furniture and equipment is stated at cost. Depreciation is computed on the straight-line method over estimated useful lives of the assets.

<u>Inventory</u>: Inventory at the Heritage Store includes merchandise for sale and is recorded at the lower of cost or market.

Accrued leave: It is the Foundation's policy to accrue a liability for vested annual leave that is not used by employees at the end of the year. At December 31, 2017 and 2016 the amount of accrued leave is \$26,567 and \$17,641, respectively, and is included in accrued expenses on the statement of financial position.

Note 1. Nature of Activities and Significant Accounting Policies (continued)

<u>Subsequent events</u>: The South Dakota Historical Society Foundation has evaluated subsequent events through October 23, 2018, which is the date the financial statements were available to be issued.

<u>Federal income taxes</u>: The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Accounting standards prescribe a recognition threshold of more likely than not, and a measurement attribute for all tax positions taken or expected to be taken on a tax return, in order for those tax positions to be recognized in the financial statements. At December 31, 2017, the Foundation believes that there are no uncertain tax positions or liabilities, or interest and penalties associated with uncertain tax positions. If the Foundation had interest and penalties related to uncertain tax positions, it would be accounted for as a component of income tax expense.

As of December 31, 2017, the Foundation is no longer subject to examinations for returns filed with the Internal Revenue Service for the years ended prior to December 31, 2014.

Level one of the fair value hierarchy consists of observable inputs such as quoted market prices for identical assets in active markets. Level two of the fair value hierarchy consists of quoted prices that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset. Level three of the fair value hierarchy consists of unobservable inputs based on prices or valuation techniques that require significant judgments or estimation.

The following assets are measured on a recurring basis and are included in the fair value hierarchy as December 31, 2017 and 2016.
